No. 2015-9

Issuing Office: CECW-CE

Issued: 23 Jun 15

Expires: 23 Jun 17

---

**SUBJECT:** Status of Employee Professional Registrations and Certifications

**APPLICABILITY:** Directive

**1. References:**

- a. Army Regulation (AR) 690-950, Career Management, 31 December 2001
- b. Army Regulation (AR) 690-1-1212, Professional Registration as a Selective Placement Factor, 31 March 2004
- c. Army Regulation (AR) 1110-1-8152, Professional Registration and Signature on Design Documents, 24 January 2012

**2. Purpose.** This directive establishes the requirements for reporting employee professional registrations and certifications into MyBiz.

**3. Background.** Current efforts by the Engineering & Construction Community of Practice (E&C CoP) require accurate accounting and reporting of all professional registrations and certifications. This tracking will be used to internally and externally promote the capabilities of E&C, as well as establish new efforts for career mapping and training requirements. Examples of these registrations include, but aren't limited to:

- a. Professional Engineer (P.E.)
- b. Registered Architect (RA, AIA, NCARB)
- c. Engineer in Training (EIT)
- d. Professional Geologist (PG)
- e. Certified Construction Manager (CCM)
- f. Project Management Professional (PMP)

**4. Applicability.** This effort is effective immediately. Direct supervisors are tasked with ensuring that each of their employees have updated their profile no later than 30 June 2015.

**5. Update.** All new requirements will be included in the next appropriate policy document update prior the expiration of this ECB.

**ECB No.** 2015-9
